

TEAM RE-CLASSIFICATIONS

(Updated 12/29/2011)

The reclassification list will be in effect for the 2012 season. The below listed teams are those that were moved up to Class "A" for the upcoming season. These teams have the potential to compete at the Class "A" level for the 2012 season with those players from the 2011 roster. If you feel you cannot compete at the "A" level due to the loss of players you can appeal your team classification. Teams may appeal their team's classification by completing the Team Reclassification Appeal Form and submitting to their appropriate **Roster Manager**. To **complete the Reclassification appeal you must also register your team for the 2012 season and team roster must be on ISTS** so your players can be verified.

Note: A team can be suspended from all USSSA if the team knowingly participated in a lower classification than what their team is classified.

The odd age teams (11/13/15U) are required to play in the "A" or "Open" tournaments if playing up in age.
